Request for Donations for the Roof repair

We would like to inform all members that the roof of Tagore Centre is in a bad shape and needs immediate attention and repair. There has been constant water leakages inside the building from the roof. We had called a few roof repair companies to give us an estimate and all of them recommended us to change the complete roof. The estimated repair cost will be in the range of \$120,000-\$135,000. We therefore request all members and patrons to donate as much as you can to meet the repair expenses. You may send cheques in favour of Bangiya Parishad Toronto (BPT) to Mr. Sambhu Ghosh (Treasurer) at "Tagore Centre", 140 Millwick Drive North York ON M9L 1Y6
